Dear Fellow Republican:

I am proud to endorse Derek Walker for Congress and I urge you to join me in voting for him on Tuesday, April 22nd.

As a small business owner and financial services professional, Derek Walker has the proven business experience needed to bring fiscal responsibility to Washington. For more than 11 years, Derek Walker has helped working families and seniors in rural Pennsylvania plan for their financial security in retirement. He knows the devastating effects higher taxes have on our economy, and as our Congressman, Derek Walker will fight to allow taxpayers to keep more of what they earn.

To help our rural Pennsylvania communities reinvent themselves, Derek Walker will harness our regions abundant natural resources to create more family-sustaining jobs and help the United States gain energy independence. And by fighting to reduce the job-crushing taxes and excessive regulations our employers face, Derek Walker will protect our current jobs and generate more economic development.

Like us, Derek Walker is also proud to call rural Pennsylvania home. As lifelong resident of our region, church leader and avid sportsman, Derek Walker shares our conservative Republican values. That is why we can trust Derek Walker to protect the rights of the unborn, defend the sacred institution of marriage and uphold our right to keep and bear arms.

It is an honor and privileged to represent you in the Pennsylvania State Senate. With your support, we have been able to accomplished many great things. And with Derek Walker as our next Congressman, I believe we will be able to accomplish even more.

For these reasons, as well as many others, I hope you will join me in voting for Derek Walker for Congress on Tuesday, April 22nd.

Sincerely,

Joe Scarnati
